

## ACCESS STATEMENT

This access statement doesn't contain personal opinions about our suitability for those with access needs. But it aims to accurately describe the facilities and services we offer all our visitors. Just so you know, the pub is built on a hill which means there are seven levels. But there are excellent views of the Mendips around us.

### BACKGROUND

Described by WhatPub.com as having a historic pub interior of regional importance, The Crown Inn is a long-time beer guide regular and winner of CAMRA awards. The classic, unchanged pub is tucked away up a small lane yet close to the village centre with off-road parking available opposite.

Several small rooms with stone-flagged floors are warmed by an open fire and log burner and offer seating. Excellent food is provided at lunchtimes only using local ingredients. Up to seven beers, usually local, are served by gravity. Outside drinking areas to the front and rear. Original outdoor toilets with steps may not be suitable for those with mobility issues. Cash only accepted: no cards.

We look forward to welcoming you. If you have any queries or require any assistance please phone 01934 852995.
